

Sailing Instructions:
South Atlantic District Championship & Qualifiers for U.S. High School Single Handed
National Championship (Cressy Championship)

September 8-9th, 2007

Hosted by Clearwater Yacht Club at the Clearwater Community Sailing Center.

1 Rules

1.1 This regatta will be governed by The Racing Rules of Sailing, the ISSA Procedural Rules and the SAISA Supplemental Rules.

1.2 The immediate penalties for breaking RRS42 as described in Appendix 'P' of the RRS and modified by the notice of race, will be in effect.

1.3 The organizing authority is the South Atlantic district of the ISSA. The event host is the Clearwater Yacht Club (CYC). The event will be held at the Clearwater Community Sailing Center.

2 Format of the event

2.1 Laser Full Rigs will sail as a fleet.

2.2 The race committee will divide the Laser Radials into four groups and each boat will be assigned to a group. This grouping will be based on the sequence of registrations.

2.3 Each Laser Radial group will be assigned a colored streamer which will be attached to the top of the boats mast.

2.4 Appendix B to these sailing instructions shows the schedule of starts for the Laser Radial races. SI 15 (Start) and SI 22 (Scoring) provide further specifics.

3 Changes to the Racing Rules

RRS 25 and 26 are changed to provide for the sound signal starting system (ISSA procedures 7.8).

No flags, shapes or visual signals of any kind will be utilized, except as described within these sailing instructions.

4 Eligibility and Entry

4.1 All competitors must meet the eligibility requirements as stated in the Notice of Race and have filed valid entries in accordance with the Notice of Race.

4.2 Races will be run for both Laser Full Rig and Radials. Competitors must provide their own boat and all equipment.

5 Designated Adult

5.1 At on site registration each competitor shall indicate in writing the adult representative that shall be responsible for the competitor throughout the event. Competitors without a responsible adult on site, may not be scored for races on days for which that adult is absent.

5.2 It is the competitor's designated adult's decision to enter the regatta and to start or continue any race. The adults supervising the competitors are ultimately responsible for the risks.

5.3 The designated adult will accept full responsibility for all actions of the competitor during any activity related to the event. This includes on-shore activities before, during, and after the regatta.

6 Notices To Competitors.

Whenever possible, notices to competitors will be posted on the notice board near the Sailing Center main office.

7 Changes In The Sailing Instructions.

Changes in the Sailing Instructions may be made at any time, including on the water. Changes made on the water will be given orally following the hoisting of code flag "L" accompanied by a sound signal.

8 Signals Made Ashore

Signals made ashore will be conspicuously displayed at the Sailing Center.

Code flag "AP" (answering pennant) with two sound signals means "The race is postponed. Do not leave the harbor." The new time of the harbor start will be posted on the notice board before lowering the "AP".

9 Schedule of Events

9.1 Registration will be held on Saturday September 8th from 0800 until 0900.

9.2 A Competitor's Meeting will be held on Saturday September 8th at 0930.

9.3 On Saturday the harbor start will commence as soon as practical after the competitors meeting and on Sunday September 9th it will be at 0930.

9.4 A minimum of three races must be completed to constitute a regatta. In the event this cannot be completed, another date for the qualifiers will be selected by the organizing authority. If this is not possible, qualifying sailors may be chosen based on resumes.

9.5 No race shall start after 1500 on Sunday September 9th.

10 Safety Procedures

10.1 Each competitor shall follow all instructions given by a designated safety or race committee boat.

10.2 Each competitor shall wear, properly secured, a United States Coast Guard approved life jacket (PFD) from the time the competitor leaves the shore until s/he returns to the shore. A competitor shall not be penalized for removing a PFD, for the specific purpose of changing clothing.

10.3 A competitor that withdraws from a race or intends not to start a race shall inform the nearest safety or race committee boat as soon as possible.

10.4 Failure to comply with any of these safety procedures may result in disqualification from the regatta.

11 Racing Area

The racing area will be in the Gulf of Mexico just south of the Clearwater Pass. The race committee reserves the right to race in Clearwater Harbor should conditions favor that location.

12 Courses

12.1 The diagram in Appendix A shows the course which will be sailed.

12.2 Competitors who have finished shall stay well clear of competitors that are still racing (See Appendix A for post-finish corridor). Failure to comply with this instruction may result in disqualification from the races sailed on that particular day.

13 Marks

13.1 For the Laser Full Rigs, the start pin will be an orange ball. For the Laser Radials the start pin will be an orange Cylinder. For the Laser Radial starts an orange ball in the vicinity of the start area is not a mark of the course.

13.2 The Finish pin will be an orange ball.

13.2 Marks 1, 2 and 3G will be yellow tetrahedrons.

13.4 New marks, when used in accordance with instruction 17, Change of Course after the Start, will be yellow tetrahedrons with a black band.

14 Check In

Before the warning signal of the first race of each day, each boat shall sail past the stern of the race committee signal boat on starboard tack and hail her sail number and class, which will be acknowledged by the race committee. It is the responsibility of each competitor to insure that they have been identified. Failure to comply with this instruction may result in disqualification from the races sailed that day.

15 The Start

15.1 The starting line will be between a staff displaying an orange flag on the race committee signal boat and the course side of the pin end mark.

15.2 For each race the Laser Full rigs will start first.

15.3 The Laser Radials will be split into four groups of which two groups will start together. Two colored flags designating the groups to sail together in the next start will be displayed (with one horn) from the signal boat a minute prior to the beginning of that start sequence. These colored flags will remain on display until the start signal for that grouping has been made.

16 Recalls

16.1 Individual recalls will be signaled by a verbal hail of the sail number and one sound signal. An individual recall flag may be utilized at the discretion of the race committee.

16.2 A General Recall will be signaled by a verbal hail and multiple sound signals. The three minute starting sequence signal for that class will begin shortly afterwards.

16.3 The "Round the Ends Rule" provisions of RRS 51.1 (c) shall apply for all races, unless the Black Flag is flown from the beginning of the starting sequence. Code Flag "I" will not be flown.

16.4 Whenever the "Round the Ends Rule" is in effect the Race Committee may hail the sail numbers of those boats that have not started correctly. A Race Committee Boat at either or both ends of the line may make these hails.

Boats identified within the triangle formed by the ends of the starting line and the first mark during the minute before the starting signal, may be hailed before the starting signal (changes RRS 29.2 and 30.3).

16.5 The following shall not be grounds for redress: failure of the race committee to hail one or more boats, failure of a competitor to hear the hail, timeliness of the hail, and the order in which boats are hailed.

17 Change Of Course After The Start

RRS 33 is changed as follows;

At any rounding mark the race committee may signal a change of the direction of the next leg of the course by displaying code flag "C", provided no competitor is on that leg. The new mark need not be in position before the first boat begins the changed leg. All marks yet to be rounded may also be repositioned to maintain the original course configuration.

18 The Finish

The finish line will be between a staff displaying an orange flag on the Race Committee signal boat and the course side of the port end finishing mark.

19 Abandonment

RRS 32(e) is changed to read "for any other reason directly affecting the safety or fairness of the competition, or, when in the Race Committee's judgment, the race is an unsatisfactory test of skill."

20 Time Limit

The time limit for the first boat to complete the first leg of the race shall be 15 minutes. The time limit for the first boat to finish shall be 40 minutes. Boats finishing more than 10 minutes after the first boat in their class may be scored in place, this changes RRS 35.

21 Protests

21.1 The Protest procedure will be in accordance with the ISSA Procedural Rules except as modified herein.

21.2 Competitors intending to protest shall inform the Race Committee immediately after finishing. Boats should first sail to the non-course side of the Finish Boat and report to the Finish Boat. Boats that do not finish shall report their intent to protest to any Race Committee Boat at the first possible opportunity.

21.3 Protest forms will be available at the sailing center office. Completed protest forms shall be delivered there within 30 minutes of the time the Race Committee Finish Boat docks. The Race Committee will post their docking time on the official notice board as soon as practical after docking.

22 Scoring

21.1 The Low Point Scoring System of RRS Appendix A as changed by ISSA PR 9 will be in effect. [DNF, OCS = +1; DNS, RAF = +2; DSQ, BFD = +4].

22.2 A race will be scored if all eligible groups for that fleet have completed the race.

23 Breakdowns

The ISSA Procedure and compensation for breakdown points shall not apply.

24 Support Boats

24.1 During each race; coach, support and spectator boats shall stay well outside the course area.

24.2 After the finish, coach and support boats shall meet competitors in the waiting area to the right of the start line and shall not communicate with competitors until they are well clear of the finish area.

23.3 Rules for coaches and spectators will be as described in the ISSA Procedural rules for races where boats do not return to the dock after each race.

Violation of any part of instruction 23 may result in disqualification of the competitor(s) associated with the craft or coach violating this instruction for the race in which the violation occurs.

25 Disciplinary Matters

No contestant shall use, either on or off the water, alcoholic beverages (beer, wine, distilled spirits), or use any controlled substance (marijuana, cocaine, etc.), the possession of which is unlawful. Infringements of this regulation and/or other discipline expectations occurring during September 7, 8 or 9th, 2007 may be the basis for disciplinary action. Discipline problems and this regulation's enforcement will be handled promptly by an adult Discipline Hearing Board which will consist of three adult members; the Regatta Chairperson, a member of the ISSA Board of Directors and the Chief Judge. Said Board shall, at a time and method selected by them, meet to hear said problem and their decision to impose scoring penalties, or other sanctions they alone deem appropriate, including summary removal from the entire regatta, shall be final without appeal permitted.

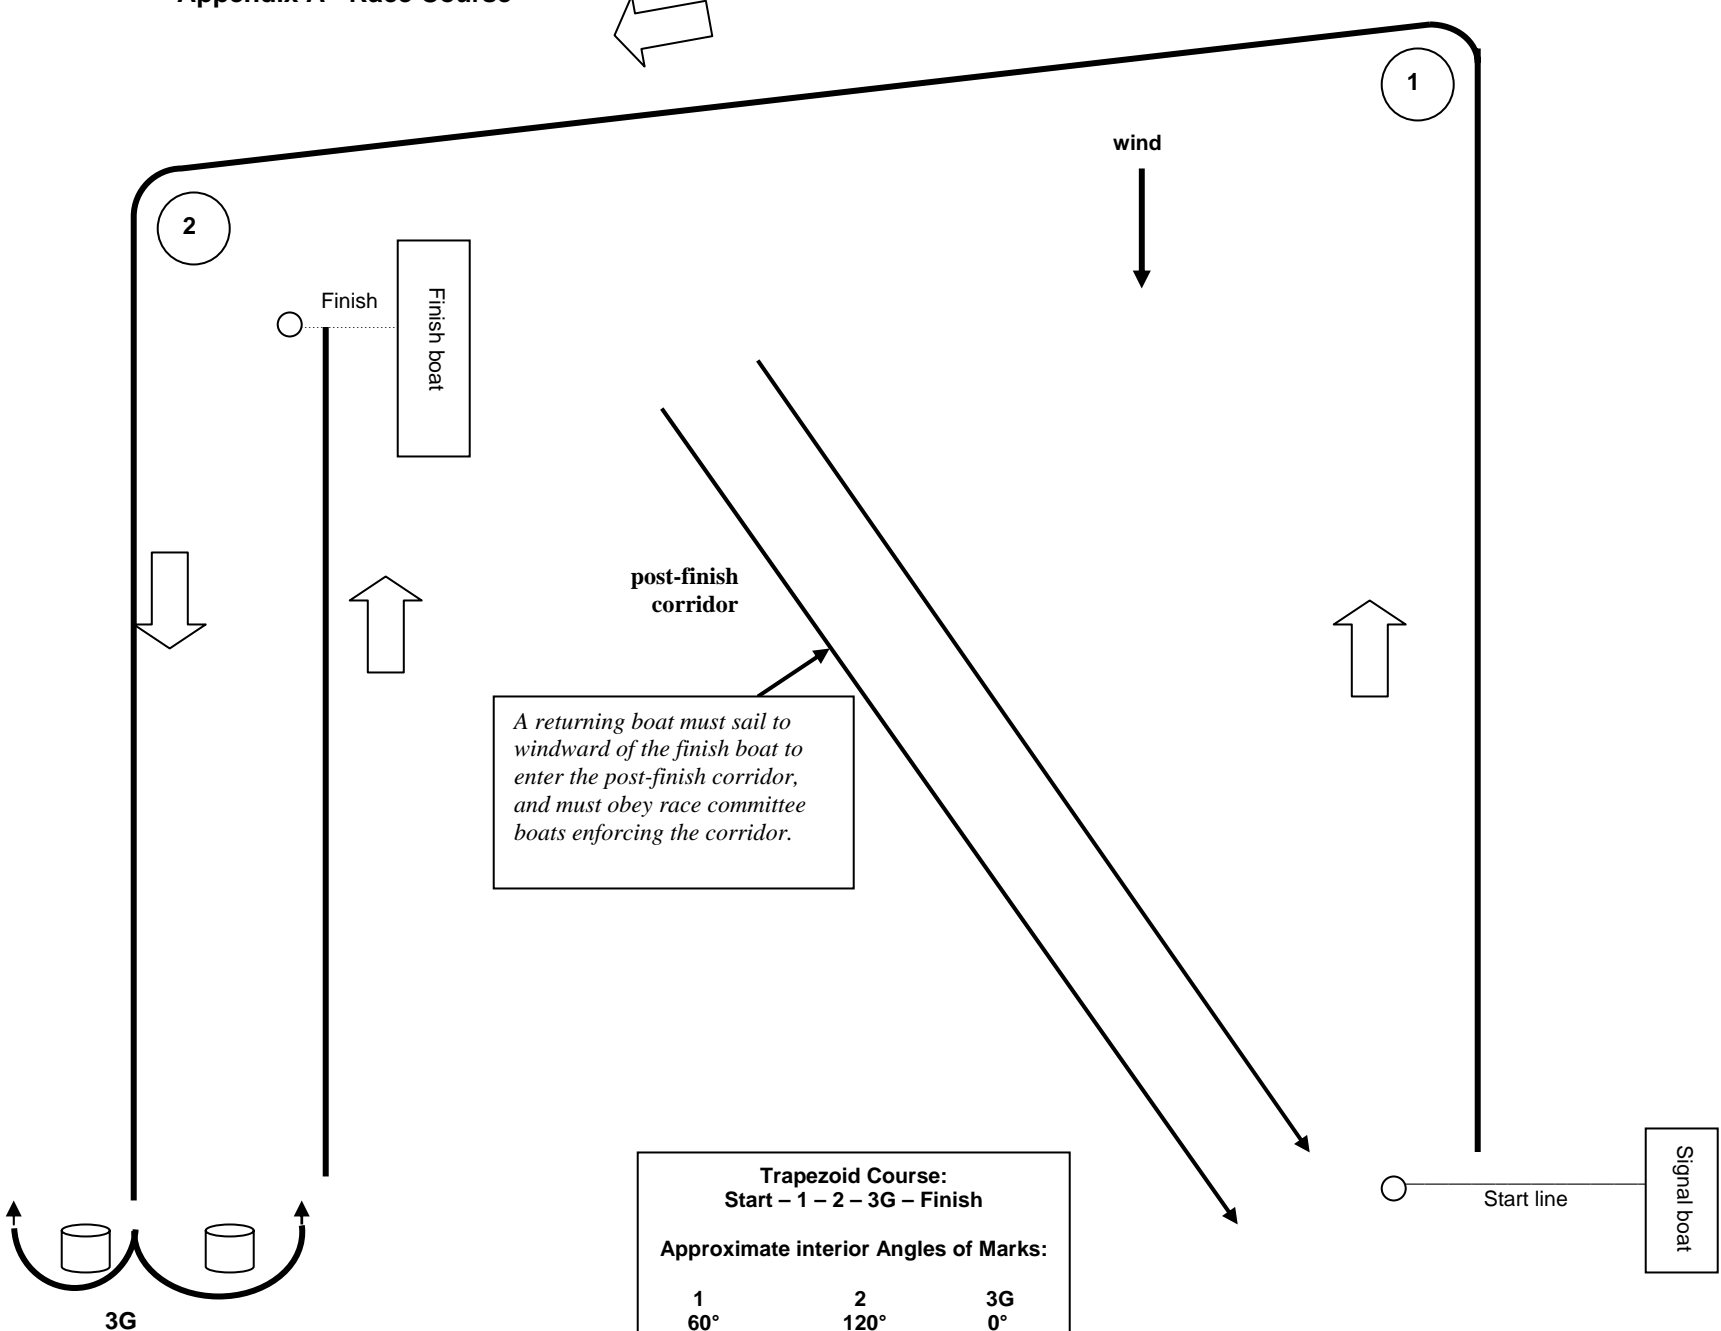

26 Awards

Awards will be made to the top three full rig and top three radial skippers.

27 Qualification for Subsequent Events

The event's purpose is to also assist the South Atlantic district of ISSA in issuing invitations to 3 full rig and 3 radial rig high school teams to represent their school and SAISA in the ISSA National High School Single-handed Championship for the Cressy Trophy, to be held at the Corinthian Yacht Club, Seattle, WA on October 27-28, 2007. If any qualifying competitor cannot attend the National Championship, the next place qualifying competitor will be invited.

Appendix A - Race Course

A returning boat must sail to windward of the finish boat to enter the post-finish corridor, and must obey race committee boats enforcing the corridor.

Trapezoid Course:
Start – 1 – 2 – 3G – Finish

Approximate interior Angles of Marks:

1	2	3G
60°	120°	0°

NOTE: At the gate, boats must pass between the two marks of the gate from the direction of the previous mark and leave the port gate to port or the starboard gate to starboard.

Appendix B – Laser Radial Start Rotation

RACE ONE

Start one	YELLOW DIVISION	v. BLUE DIVISION
Start two	RED DIVISION	v. GREEN DIVISION

RACE TWO

Start one	YELLOW DIVISION	v. RED DIVISION
Start two	BLUE DIVISION	v. GREEN DIVISION

RACE THREE

Start one	BLUE DIVISION	v. RED DIVISION
Start two	GREEN DIVISION	v. YELLOW DIVISION

RACE FOUR

Start one	RED DIVISION	v. GREEN DIVISION
Start two	YELLOW DIVISION	v. BLUE DIVISION

RACE FIVE

Start one	BLUE DIVISION	v. GREEN DIVISION
Start two	YELLOW DIVISION	v. RED DIVISION

RACE SIX

Start one	GREEN DIVISION	v. YELLOW DIVISION
Start two	BLUE DIVISION	v. RED DIVISION

This sequence will be repeated as necessary.
